Gagan is a wonderful Host.

The house ,the decor and the overall setup talks a lot about their personality which is super and super cool.

I want to tell one thing that if you in this place you dont need to go out:

- The living room has everything you can think of (It even gives you netflix)
- The balcony (they have 3 balconies) ,the view and setup is something that you can be very happy for
- The bedroom is amazing
- The kitchen has everything(even oil and spices, the crockery was the best)
- The overall staffs were so so good and cooperative.

My next stay will ofcourse be this again and I recommend this to you all.

Thanks for this experience *****
